“Celebrating our Diversity” at the Scarborough Afro-Carib Fest this summer!

It's BACK!! It's BIGGER!! It's BETTER!! The 6th annual Scarborough Afro-Carib Fest, taking place on **August 26-27, 2017 inside Albert Campbell Square at the Scarborough Civic Centre**, brings you live musical performances, exciting entertainment from local and international artists, mouth-watering ethnic cuisine, vendor exhibitions and marketplace, visual arts, drum and dance workshops, kid's zone, dance competitions, business expo and much more!

The event is **FREE** and welcomes over 25,000 people from across Canada and internationally. "Celebrating our Diversity" is the theme for this annual event that invites people of all ages and backgrounds to experience the richness of the city's diverse communities. Presented by Heritage Skills Development Centre (HSDC) with support from the Government of Ontario, the event fosters civic pride and demonstrates the richness of the Afro-Caribbean cultures and other ethnic groups that make up the fabric of Canada.

Uniquely Canadian, the Scarborough Afro-Carib Fest merges two rich cultures; African and Caribbean, in an effort to build community, bridge social, cultural and economic gaps through sharing music, dance, cuisine, arts and culture.
